# Four Easy Steps to Decide Your 2010 Anniversary Pledge

## Write down the amount of your 2009 Income:

Don't worry too much about this number. If your circumstances change in the coming year, your pledge can always be adjusted. \$ \_\_\_\_\_

# 1

## Pick a Percentage:

Are you new to the idea of pledged giving? Try using the national giving average of about 3% as a starting point. You can find out what this amount would be, based on your income, by using this chart. Or, if you have been giving a while, take last year's percentage and try adding 1% to it. % \_\_\_\_\_

# 2

## Multiply the amount from Part 1 by the percentage in Part 2:

This is your total pledge for 2010. \$ \_\_\_\_\_

# 3

## Spend time in prayer:

Pledging at MCCS is a spiritual practice. How do you feel about this number? Is it in proportion to the importance of God and your spiritual life? Is it in proportion to the importance of MCC of the Spirit in your life? How is it in proportion to the other ways you spend you money?
